### MOMENT

Skyler stops steaming milk for the other orders and pours it all into Todd's cup, causing frustration among the other patrons. Todd embraces the attention his special drink garners, while Bronn acknowledges the chaos of the situation.

### MOMENT

#### Meeting Jacob the Half-Elf

As the adventurers stepped through the door, they were greeted by Jacob, a half-elf who welcomed them with a smirk. "Look, I'm Jacob. Welcome. Come with me," he said, gesturing for them to enter. Bronn Boromir, noticing Jacob's casual attire, inquired about the dress code. Jacob replied that staying on the headmaster's good side allowed for some leniency. He acknowledged Bronn, saying, "You must be Braun. I've heard a bit about you," and mentioned that he had read their files.
